INFORMATION DISCLOSURE STATEMENT

Dear Sir:

Pursuant to 37 C.F.R. §1.97, Applicants hereby call the Examiner's attention to documents listed on the attached forms, which documents may be material to the examination of this application.

No inference should be drawn that any apparatus disclosed is equivalent to the subject invention. Also, the citation of the above-discussed documents is not to be construed as an assertion that more pertinent art could not possibly be in existence. Citation of any document herein is not to be construed as an admission that any subject matter disclosed in

the document is necessarily within the inventive field of endeavor, that any disclosure is necessarily prior in time to a particular date which may be relevant to the instant patent application, and/or that any disclosure is otherwise necessarily prior art with respect to the instant invention.

Applicants also respectfully reserve the right to later set forth how the instant invention is distinguished over the disclosure of any document or other art, including the disclosure of those documents discussed herein, that may be cited by the Examiner in rejecting a claim in the present patent application.

ON SALE/PUBLIC USE

Applicant also wants to bring to the attention of the Examiner the facts of certain devices being on-sale and/or in public use more than one year before the priority date for the present application, that is more than one year prior to January 29, 2004.

Specifically, the lifter substantially as illustrated in Figures 3-11 of U.S. Patent No. 6,503,045 was on-sale and/or in public use prior to January 29, 2003. In addition, the Perkins Model D6080 lifter, as shown and described in the brochure "The Original Rotary Tuckaway," was also on sale and/or in public use prior to January 29, 2003.

This Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits. Accordingly, it is believed that no fee is required for the submission of this Information Disclosure Statement. However, if it is determined that any fee is required, please charge our Deposit Account No. 50/1039.

Respectfully submitted,

Date: June 10, 2004
